

Genesis 6:1-2c

1. Now it came about, when men began to multiply on the face of the land, and daughters were born to them, 2. That the sons of God saw that the daughters of men were beautiful; and they took wives for themselves, whomever they chose.

Now I want to share with you why I believe that sexual perversion was possible by these fallen angels. In **2 Corinthians 4:4**, we are told that Satan is the god of this world. If you look that verse up in your Bible, you will notice that god is spelled with a small 'g' and not capital "G." The word of God does not acknowledge Satan as equal to our God, but rather is placing him as being over this earth; his dominion is pitiful here on earth, compared to the glory in heaven. But, let's make sure that we never forget Satan's objective, which is to destroy and pervert God's overall eternal plan for man. The earth became the battlefield of the universe. Contamination and perversion of perfected created life has always been one of Satan's major objectives. Satan is unable to create, therefore he can only counterfeit, which is why Satan mimics the Lord, and to try and lead as many astray as he can. Some people don't believe that angels are capable of having sexual relations with humans using **Matthew 22:30**. **"For in the resurrection they neither marry, nor are given in marriage, but are like angels in heaven."** This scripture does not refer to angels as being sexless, but that they don't marry in heaven. Every time an angelic being is mentioned in the Bible it is given a gender. Some have argued that angels have no flesh, they are only spirits. It is true that they are spirits, but the Old Testament as well as the New Testament both show that angels had the ability to materialize in a variety of forms, as is found in **Genesis 18 and 19**. Let's look at the two 'men' who accompanied the Lord to visit Abraham. * **18:4** each had feet to be washed, and each had bodies to rest, * **18:5, 8** each had mouths and stomachs with which to eat food, * **18:22** each had faces, * **18:2, 22** each had legs which to stand and walk,* **19:4, 5** — their bodies appeared closely enough like humans, that the men of the town desired to have them for the purpose of homosexuality.

Let's go back to the book of **Jude**. Earlier I read verse 6, now I want to reread it and verse 7 as well. **6. and angels who did not keep their own domain, but abandoned their proper abode, He has kept in eternal bonds under darkness for the judgment of the great day. 7. Just as Sodom and Gomorrah and the cities around them, since they in the same way as these indulged in gross immorality and went after strange flesh, are exhibited as an example, in undergoing the punishment of eternal fire.** Jude spells out very clearly that it was because of their indulgence in gross immorality with a strange flesh, or a flesh which they were not designed for, that they are going to be judged with eternal damnation in the lake of fire. Everything I've shared up to this moment has been to show why angelic beings would cohabit with the daughters of men. Satan's plan was to pollute the seed of man; which if he could accomplish it; could then eliminate the Messiah from ever having dominion over him. At the moment that man disobeyed God, mankind surrendered his will and realm to the control of Satan, and Satan now has dominion over the fallen spiritual realm and over the whole earth. Only, Satan's plan failed in the end, because not only did the Messiah come, but He took back the keys to the gates of hell.
