

Psalms 50:21

"These things you have done, and I kept silence; You thought that I was just like you; I will reprove you, and state *the case* in order before your eyes.

One of the most common sins in and out of the church, is that we try to make God in our own image; rather than understanding that we were made in His. We deceive ourselves into believing that we can become so familiar with God that He will take on any image that we come up with. This image within our imagination grows, to where we truly believe that God is, as we choose. How else, could churches set homosexuals into office within their denominations? It started by them having a perverted heart themselves, and one that was set on making God in their own image. They have broken the second of the "Ten Commandments" in **Exodus 20:3**, "**You shall have no other gods before Me.** Rather than embrace the Laws and Commandments of the Living God, they chose to create their own Golden Calf to worship; just as the children of Israel did in the wilderness. Another expression of outright rebellion towards God is when certain churches and denominations support abortion. Church leaders in Maine have even been so brazen, that they advocated that the state of Maine finance abortion for women, who cannot afford to finance the slaying of their own child. This form of decadence will not be without a just judgment from a righteous God. It is only arrogance and a rebellious heart, which would make a person believe that "Today's Christian" has evolved beyond God's written word.

My dear friend, many churches in America have become anything other than Christian! They are no different than the organizations out in our community. They support their own ideals, values, and their own desires. Unfortunately, many times none of them line up with those of our God. Are we to be surprised by such lies and heresy? Please consider **I Timothy 4:1**, **But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons.** Abortion, homosexuality and standing against Israel are all three a few of the many ways in which so many churches and denominations are being led astray by deceitful spirits and doctrines of demons. Each of us must choose whether we will line our lives up with the God of the Bible, or with a God created within our minds, and in our own image. Should any one choose the latter, then know that hell will be your address for all of eternity! None of us must ever forget that if we call ourselves a Christian, then we serve a Holy and Sovereign God. Christianity is more than a label, or a title. It is a name which describes a person or group that has decided to shed their own will and desires, and to replace them with those of Jesus Christ. If your life is not a reflection of Jesus Christ, and of His Laws and Commandments; then you may very well not be, "Born Again." Dear friend, if you are not born again, then you will not enter the Kingdom of Heaven. You may read your Bible, pray, fast, tithe and even witness; but unless you are born again, then you are only religious. The Bible says that all of your righteousness is as filthy rags to our Lord. My heart and purpose is not to offend you, but to expose the Truth. Many people today in the church are no different than the Scribes and Pharisees, whom Jesus Himself called hypocrites. I exhort you today to get right with Jesus Christ, and if needed, to look for another church which teaches the Truth of God's Word. Please don't put this off another day, your very eternity, is at stake here!
